DarTutors · Order a Set of Numbers

Name: Date:

1. Put these numbers in order, descending (smallest first if ascending, largest first if descending): 168, 800, 873, 101, 299

2. Put these numbers in order, descending (smallest first if ascending, largest first if descending): 99, 480, 116, 273, 59

3. Put these numbers in order, descending (smallest first if ascending, largest first if descending): 443, 680, 333, 496, 217

4. Put these numbers in order, descending (smallest first if ascending, largest first if descending): 308, 819, 271, 132, 437

5. Put these numbers in order, descending (smallest first if ascending, largest first if descending): 779, 95, 13, 225, 821

---

6. Put these numbers in order, descending (smallest first if ascending, largest first if descending): 843, 58, 925, 933, 178

---

7. Put these numbers in order, descending (smallest first if ascending, largest first if descending): 639, 814, 319, 675, 46

---

8. Put these numbers in order, descending (smallest first if ascending, largest first if descending): 370, 400, 323, 90, 642

---

9. Put these numbers in order, descending (smallest first if ascending, largest first if descending): 238, 514, 776, 727, 184

10. Put these numbers in order, ascending (smallest first if ascending, largest first if descending): 919, 360, 433, 657, 818

DarTutors · Order a Set of Numbers ANSWER KEY

1. 873, 800, 299, 168, 101

2. 480, 273, 116, 99, 59

3. 680, 496, 443, 333, 217

4. 819, 437, 308, 271, 132

5. 821, 779, 225, 95, 13

6. 933, 925, 843, 178, 58

7. 814, 675, 639, 319, 46

8. 642, 400, 370, 323, 90

9. 776, 727, 514, 238, 184

10. 360, 433, 657, 818, 919
